Hands in the Clouds

This booklet gathers moments where the sky seems to form hands — sometimes cupping, sometimes stretching, sometimes dissolving into faces. Rather than a strict sequence, this is a gallery of impressions: clouds as gestures, as if the heavens briefly reached down.

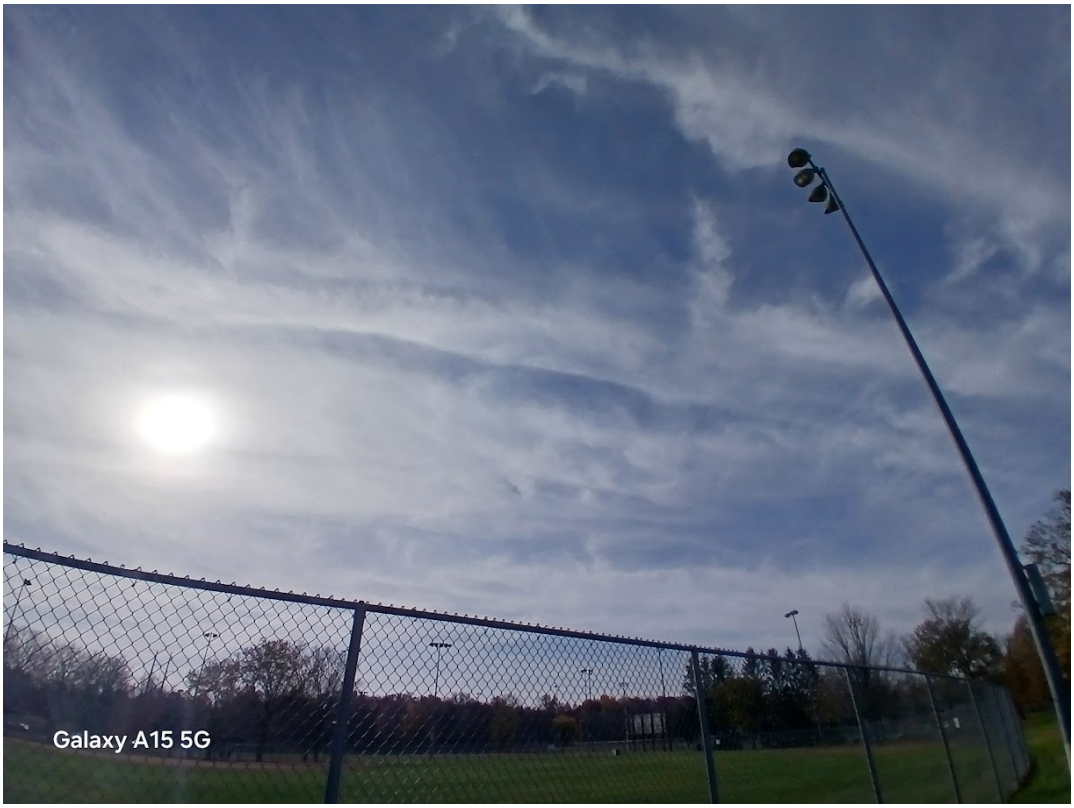
Cloud impression — hand, face, or presence.

Cloud impression — hand, face, or presence.

Cloud impression — hand, face, or presence.

Cloud impression — hand, face, or presence.

Cloud impression — hand, face, or presence.



Cloud impression — hand, face, or presence.

Cloud impression — hand, face, or presence.

Cloud impression — hand, face, or presence.

Cloud impression — hand, face, or presence.

Cloud impression — hand, face, or presence.

Hands in the clouds: sometimes distinct, sometimes dissolving into other forms — faces, animals, even great beings. A glimpse of gesture written across the sky.
